Following up

I am actively finalizing retaining counsel to assist me in this process. On Monday I will have confirmation (payment/support). If you would like to continue the call tomorrow , that is fine. I need the support at this point as this is outside of the scope of my understanding, access and area of expertise. Given my limited understanding of this process I am not sure there will be much I can contribute during the call.

Alternatively, If you would like me to loop in my counsel after I retain them on Monday, I am happy to do so.

Thanks

Ryan
